**JAPS DEFEAT RUSSIANS AFTER
AN ENGAGEMENT OF THREE
HOURS' DURATION.**

RUSSIANS MARCHING SOUTH

**GENERAL STALKENBERG LEADS
A FORCE IN THE DIRECTION
OF WAFENGTIEN.**

Newchwang, June 3.—There has been fighting in the last two days north of Wafangtien and the Japanese, after an engagement of three hours, occupied the town of Lotoling, twelve miles south of Kalping. There was continuous fighting on the easterly ranges of the Hung mountains, in which artillery was most active. The Japanese gun fire, being superior in numbers, drove the Russian batteries northward, the retreat being covered by the transbaikalian cavalry.

General Stalkenberg, with 14,000 Russians, made up of artillery, cavalry and infantry, has marched south of Liaoyang in the direction of Wafengtien.

ATTEMPTING A DIVERSION.

**Kuropatkin Will Attack the Japanese
Near Port Arthur.**

London, June 3.—Telegrams from different points seem to confirm the rumors that General Kuropatkin is attempting a diversion in the direction of Port Arthur. Russian reinforcements, according to a dispatch from Tientsin, are moving southward from Kalping toward Wafangtien under General Stalkenberg. They comprise a battery of artillery, four Siberian regiments and a company of Cossacks aggregating 12,000 men. Another brigade is following, the intention being to engage the Japanese now attacking Port Arthur in their rear.

The Standard's correspondent at Tientsin, sending the same news, says: "The Russian force in the engagement at Wafangtien May 30 is supposed to have been formed of four Siberian regiments which were reported to have left Tachichao May 28, being the first portion of a relieving column for Port Arthur. The railway is fairly intact from the north of Wafangtien, but is completely destroyed from there to Pulantien. The Japanese are unconcerned over this demonstration, being convinced that it will be impracticable for the Russians to move a sufficient force to prove effective."

These reports are received with a certain measure of skepticism in London. The belief here is that if General Kuropatkin is undertaking such a desperate move he can only be doing so in deference to the strongest political pressure and against his own better judgment.

The correspondent of the Daily Express at Nagasaki cables that transports loaded with troops continue to leave Western Japanese ports daily for the theater of war. A large proportion of those dispatched during the past week, he says, were to reinforce General Oku.

MORE JAP TROOPS LANDED.

**Warships and Transports Discharge
Soldiers Near Takushan.**

Chefoo, June 3.—The Japanese have landed another lot of troops at Twenty miles southwest of Takushan. A Chinese junk arriving from there says that seventy warships and transports have discharged troops there. One thousand soldiers had been garrisoned ashore. Reinforcements for the Japanese army which is attacking Port Arthur have been landed northeast of Tallenwan. Their number is unknown.

Vanzalen, Manchuria, June 3.—The Japanese are landing another army of 50,000 men at Takushan, it is reported. Japanese posts were withdrawn Wednesday from positions near Vafangow, destroying the bridges as they retreated. They were busy during the night removing the wounded from the battlefield and burying the dead.

CONNECTICUT BANK SHORT.

**Trusted Employee Said to Have Em-
bezzled Large Sum.**

New Haven, Conn., June 3.—A loss of from \$30,000 to \$70,000 through the embezzlement of its funds by a trusted employee, Douglas M. Smith, is admitted by the officers of the National Tradesmen's bank of this city. Smith, who was paying and receiving teller of the bank, has acknowledged voluntarily that he embezzled about \$30,000 and the greater part of it if not all within the past eight or nine months.

Smith is under arrest. His downfall is attributed to speculation.

French Nuggets Stolen.
St. Louis, June 3.—Complain was made Thursday to the world's fair police department that silver and gold nuggets valued at \$1,000 had been stolen from the French section of the mines and metallurgy building. The rear of the display cases had been forced open. Two arrests have been made.

THE BATTLE OF KINCHOU.

**Vivid Description of the Gallant Charge
of the Japs.**

London, June 3.—The correspondent of the Times on the Haimun says: "Eye witnesses of the battle of Kinchou describe it as an unprecedented military spectacle. Forty thousand Japanese were massed behind the western spur of Mount Sampson under such small cover as afforded by the twin peaks. The troops were within 2,000 yards of the Russian works. There was so little room to deploy for attack that battalions of Japanese troops were obliged to stand in the sea waiting for the moment of attack, exposed to a veritable inferno of fire from the Russian batteries. The shells plowed into their serried masses."

"Meantime battery after battery of Japanese guns went into action upon the Chichiwang and the Kauchaiyan flats and a sustained gunboat fire played upon the Russian works. Their lines were fringed with bursting projectiles. About midday the energy of the Russian defenders in the works in front of Mauchaiyang village seemed exhausted by the gunboat fire. Two Japanese battalions appeared over the saddle between the two peaks and made a desperate effort to carry the nearest Russian works. At first the straggling walls of Mauchaiyang gave them some cover and a moment's breathing space. Then the gallant little infantrymen crept on again up the slopes toward the Russian position. It was an impossible task. As yet the defenders had not been sufficiently shaken."

Two Battalions Wiped Out.

"An avalanche of concentrated fire from infantry in trenches, machine guns in the Russian works and quick firing field artillery in the supporting defenses struck the Japanese. They melted away from the glacis like solder before the flame of a blow-pipe. A few who seemed to have charmed lives struggled on until they reached the wire entanglements."

"It was in vain. Heroic effort was wasted. Within fifteen minutes these two battalions ceased to exist except as a trail of mutilated bodies at the foot of the Russian glacis."

"Seeing the failure of this attack the gunboats and supporting artillery concentrated the whole of their fire upon the point where General Oku had determined to drive home his wedge and by evening the works were practicable for an assault by a general who had such infantry as the Japanese and who was prepared to take the responsibility of such fearful losses. It would seem as if the actual carrying of the works had been another Alma. The word was given for a bayonet attack. Then the whole Japanese front surged forward and the moral balance went over to the side of the Japanese, the Russians retreating before them."

ORDERED TO ADVANCE

**KUROPATKIN MUST ATTEMPT TO
PREVENT THE CAPTURE OF
PORT ARTHUR.**

Paris, June 3.—The correspondent of the Echo de Paris at St. Petersburg telegraphs:

"Viceroy Alexieff and General Kuropatkin have asked the emperor to settle their dispute, his majesty summoned a council of war, including Minister of War Sakharoff, Marine Minister Avellan, and Minister of the Interior Plehve. The council debated for several hours at Tsarskoye-Selo."

"I have reason to believe that the necessity of preserving the naval base at Port Arthur and the loss of prestige that the fall of Port Arthur would entail were the arguments which prevailed in the council. General Kuropatkin has therefore been advised to attempt to relieve the fortress, but to act with the greatest prudence. A general whom I interviewed on the subject of the council said:

"If Kuropatkin is weak enough to advance he will commit a serious blunder. The number of his troops is insufficient, and the conditions under which he would act are unfavorable. He might meet an almost irreparable reverse and Port Arthur be further from relief than ever. If we try to relieve Port Arthur we will be doing exactly what the Japanese hope."

PROVISIONS AT PORT ARTHUR.

**On Half Rations the Garrison Can Hold
Out for Five Months.**

London, June 3.—The Times' steamer Haimun returned to Chefoo June 2 from a cruise in Kinchou bay. The correspondent aboard learned from Port Arthur refugees that the native and civilian population only gets such food as arrives by junk from Chinese ports or what they have themselves secreted. The military authorities have requisitioned all available food. On half rations it is estimated that the garrison has enough for five months.

The five damaged warships moored at the Port Arthur jetties, the Times correspondent learns, have been de-aired of everything movable. General Stouesset retains a large number of Japanese in the roadstead. The object of this measure can only be conjectured.

RUSSIAN SOLDIERS SHOT.

**Twelve Men Executed for Leading
Mutinous Disturbances.**

London, June 3.—A dispatch from Odessa to the Daily Mail says that five infantrymen have been court-martialed and shot at Kremenchug, and seven at Poltava for leading mutinous demonstrations among troops going toward the far East.

EFFORT OF NO AVAIL

**SPECTACULAR ATTEMPT TO END
THE DEADLOCK IN ILLI-
NOIS IS FUTILE.**

LOWDEN TAKES THE LEAD

**BUT HE IS UNABLE TO GET
ENOUGH VOTES TO OBTAIN
THE NOMINATION.**

Springfield, Ill., June 3.—A desperate effort on the part of Republican leaders to break the deadlock in the state convention failed Thursday and at 8 o'clock last evening the assembly took a recess for the day without having nominated a candidate for governor.

The attempt to bring about the break was a spectacular one. Ex-Congressman Walter Reeves, chairman of the committee on resolutions, and Chairman Cannon engineered the plan, which was made possible by the report of the committee on resolutions, which presented the resolution which it originated and which was referred to the committee at Wednesday's sessions. This resolution was to the effect that the delegates be released from instructions and when it was presented Mr. Reeves called upon the candidates, one by one, to come before the convention and express their opinion regarding it.

Each declared in favor of the resolution, speaking in the order named: Frank O. Lowden, Governor Richard T. Yates, Charles S. Deneen, Howland T. Hamlin, Lawrence Y. Sherman, Congressman Vespasian Warner and John H. Pierce. Then Mr. Reeves yielded a portion of his time to John W. Parker, the author of the resolution, who urged its adoption in letter and in spirit as well.

Cannon Pleaded in Vain.

Congressman Cannon then demanded the attention of the convention and eloquently pleaded with the delegates to break the deadlock. He declared that the delegates must compromise and called attention to the fact that the convention by its inaction was injuring the Republican party not only in Illinois, but in the entire nation.

"Let's adopt this resolution," he said, "and then nominate a ticket, and let's do it today."

There was not a vote against the resolution, but when the roll was called on the sixty-seventh ballot there was no substantial change from the ballots of the previous day. On the next ballot taken before the noon recess a number of the unattached delegates voted for Judge Sherman and he received eighty votes.

When the convention reconvened for the afternoon session, the long expected break from Yates to Lowden came and he got the vote of Speaker Cannon's district as well as the votes of several other counties and some scattering delegates. For several ballots his vote increased until he reached a vote of 631½. Then the tide turned and on the closing ballot, the seventy-eighth, his vote had dropped to 532½. It requires 752 to nominate.

Yates' lowest vote during the day was 362 and his closing vote was 405. There was no material change in the vote of the other candidates.

EVERYTHING NOW QUIET.

**Attempt Being Made to Arbitrate Trou-
ble at Hanging Rock, O.**

Hanging Rock, O., June 3.—Everything is quiet here and it is the opinion of many that the furnace strike will soon be settled. There were no disturbances of any kind up to a late hour at night.

Secretary Bishop of the state board of arbitration has arrived and succeeded in bringing about a conference between the leaders of the union and the representatives here of the Hanging Rock Iron company. After the conference an influential local union man said he believed an agreement would soon be reached between the contending sides. The officers of the American Federation of Labor are also endeavoring to bring about a settlement.

Colonel Thompson, in command of the military, has ordered all citizens to be off the streets between 7:30 p. m. and 5 a. m. under penalty of arrest. Another order prohibits the carrying of weapons of any kind and also the use of intoxicants. Several arrests have been made. Firearms were confiscated in the negro quarters and at homes of strikers.

WOULD CAPTURE RAISULI.

**Mohammed El Torres Appeals to
Tribes of Morocco.**

London, June 3.—A dispatch to the Times from Tangier says that Mohammed El Torres has applied to the tribes to capture Raisuli, the bandit who kidnapped Pederic and Varley, saying that this alone can save Morocco from invasion.

St. Petersburg, June 3.—The following telegram from General Kuropatkin to the emperor, dated June 1, has been received:

"Quiet prevails in the direction of Fengwangcheng. The town of Saimatza, which was evacuated by the Japanese May 31, has been reoccupied by our troops."

"Our patrol May 31 had a skirmish in Laolin pass, ten miles south of Shuyen, with a Japanese detachment composed of two companies of infantry and half a squadron of cavalry. We had one Cossack wounded."

"There is no change in the situation at Newchwang or Kalchou."

The Russian losses in the battle of Kinchou are semi-officially placed at 30 officers and 800 men, all told.

RUSSIAN RAIDERS IN KOREA.

**Destroy Japanese Supply Depots and
Capture Provision Trains.**

Vladivostok, June 3.—Letters from the theater of war report that Russian raiders have succeeded in penetrating as far as Gensan and also south of Anju. They have destroyed depots of Japanese supplies and captured provision trains. Koreans are fleeing into Manchuria to escape the hardships of war. Chinese are moving from Kwantung into Northern Manchuria in order to avoid living in territory under Japanese control.

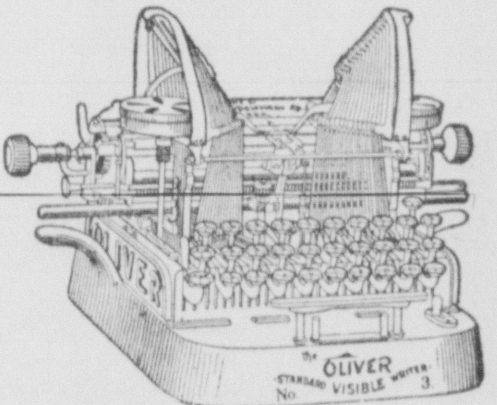

Two Men Killed.

Evansville, Ind., June 3.—A freight train on the Louisville and Nashville railway several miles below Evansville, struck a hand car on a trestle. Wiley Blackburn and W. L. Schuler were killed and William Scherer injured by jumping from the track.

FATAL SHOOTING ENCOUNTER.

**Two More Kentuckians Killed in a
Fight.**

Barbourville, Ky., June 3.—In a shooting encounter on the Stinking Creek road, four miles above Flat Lick, Clark and John Mills were killed by Paul Carns and James Gray. Carns and Gray have been placed in jail here. The two dead men were buried in the same grave. In July, 1890, the fathers of the dead men were killed in a fight on Stinking Creek and buried in the same grave.

CARL BERG ELECTROCUTED.

**Put to Death in Ohio Penitentiary for
Murder of John Geufford.**

Columbus, O., June 3.—Carl Berg, sentenced to death for the murder of John Geufford at Wauson, O., in July, 1903, was electrocuted in the annex of the Ohio penitentiary at 12:05 a. m. Berg met death bravely. Just four minutes elapsed from the time he left his cell until the physicians pronounced him dead. After being strappined in the chair he said he knew he had been very bad, but he had made his peace with God.

Carl Berg was condemned to death for the murder of John Geufford at Wauson, O., when Berg and a man named Sam Bannister held up and robbed a carload of tramps. Berg shot Geufford when the latter tried to leave the car. Bannister has never been captured.

Berg's stepfather is Carl Lund of Minneapolis. He is a respectable Norwegian and did all in his power to save Berg.

CARL BERG ELECTROCUTED.

Put to Death in Ohio Penitentiary for Murder of John Geufford.

Columbus, O., June 3.—Carl Berg, sentenced to death for the murder of John Geufford at Wauson, O., in July, 1903, was electrocuted in the annex of the Ohio penitentiary at 12:05 a. m. Berg met death bravely. Just four minutes elapsed from the time he left his cell until the physicians pronounced him dead. After being strapped in the chair he said he knew he had been very bad, but he had made his peace with God.

Carl Berg was condemned to death for the murder of John Geufford at Wauson, O., when Berg and a man named Sam Bannister held up and robbed a carload of tramps. Berg shot Geufford when the latter tried to leave the car. Bannister has never been captured.

Berg's stepfather is Carl Lund of Minneapolis. He is a respectable Norwegian and did all in his power to save Berg.

When a resident of Brainerd whose statement appears below who has no monetary or other interest on the article which he endorses who is anxious to do his acquaintances and fellow residents a good turn, who publishes in this paper his experience with Doan's Kidney Pills—that citizen must have good and sufficient reason for doing so. The following should dispel any doubts which may have existed in the reader's mind on this subject:

J. Hagadorn of 123 Ninth street north stys: "For thirty years I had more or less trouble with my kidneys. Some attacks laid me up while during others my back ached so severely that I could not sleep at night nor work during the day. On many occasions I could not stand and talk to a man for two or three minutes without suffering with twinges across the small of my back which radiated towards the shoulder. As time passed by the complaint became more pronounced and difficulty with the kidney secretions set in. As might be expected I tried everything when the attacks occurred to check them but if I had met with any marked degree of success I never would have reported to Doan's Kidney Pills. When suffering severely I went to a drug store and got a box. I expected the results would be similar to those obtained by using other preparations. In twenty-four hours I changed my mind. I noticed they were acting totally different to anything hitherto tried and encouraged I kept on with the treatment until I finished two boxes. Now I may have recurrences but at the present moment and it is some time since I stopped the treatment I have not a symptom of my old complaint. To any one interested I will only be too pleased to give minute details and substantiate the above statement in a personal interview."

Sold for 50 cents a box H. P. Dunn & Co., and all druggists. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name—Doan's—and take no substitute.

BOTH SWEDISH AND AMERICAN

Conventions are to be held at the Same Time But in Separate Churches.

There will be two notable conventions in Brainerd next week for four days from June 9 to 12 inclusive, and it is anticipated that there will be a large number of delegates present at both. The Swedish Baptist convention is a state affair and includes all the Swedish churches in the state and it is expected that there will be about 150 delegates present to attend this convention. The meetings will be held in the Swedish Baptist church, corner of Oak and Tenth streets.

The other meetings will be held in the American Baptist church on Sixth street north. This is a convention including the Baptist churches of what is called the northwest district of the state and there will be a large number of delegates here also.

The programs for both conventions are good ones and it is expected that there will be a large number of prominent church people present.

BIGGEST MEETING IN MANY YEARS

Brainerd Lodge of Elks Initiate a Large Class at Hall Last Night

SOCIAL SESSION AND BANQUET

Follows the Work and a Flow of Wit, Pathos and Oratory

Brainerd Lodge, B. P. O. E., held a meeting last night and it was one of the most largely attended and interesting since the organization of the lodge and it gave the hearts of old as well as new members a thrill of delight to see the lodge rehabilitated and renewed interest taken in the work.

On account of the large amount of business which had to be disposed of before the initiatory work commenced the meeting was called to order at 7:30 o'clock. The work was disposed with and the initiation of the best class in a long time was taken up.

There were fifteen representative men in the class as follows:

- | | |
|-------------------------------|--|
| Rev. Richard Brown, Brainerd. | |
| Dr. J. L. Camp, " " | |
| Prof. T. B. Hartley, " " | |
| John Larson, " " | |
| E. T. Howard, " " | |
| Dr. K. H. Hoorn, " " | |
| J. F. Casey, " " | |
| Dr. M. A. Desmond, Aitkin. | |
| B. R. Hassman, " " | |
| T. R. Foley, " " | |
| C. H. Warner, " " | |
| F. P. Leisen, Cass Lake. | |
| F. A. Jonas, " " | |
| J. W. Allen, Walker. | |

This class was one of the best in point of character of men that has been put through since the organization and the lodge is to be congratulated. They are all well and favorably known in the city.

At the conclusion of the work the guests were served a banquet which was followed by a social session at which considerable "talent" was brought forth. Gus DeArmo, of St. Cloud, was here and entertained the crowd with feats in club swinging and slight of hand maneuvers. Judge S. F. Alderman was named as master of ceremonies and presided over the deliberations. The Elk orchestra discoursed several good selections, which were well received, before the regular session opened. Among those who made addresses were Rev. Richard Brown, Col. C. D. Johnson and "Billy Prunes" Newton, of Red Wing, besides numbers of others who made a few remarks, among them Bro. Keeley, of Philadelphia. There was plenty of amusement and all those present enjoyed the program very much.

The following effusion is but a fair sample of what Col. C. D. Johnson had to deal out last night, and it was dedicated particularly to the genial Judge Sanborn:

Tom Sanborn, may his tribe increase,
Awoke one night from a deep dream of peace.
He saw beside a table sitting near
A French angel drinking lager beer
And writing fast within a book of gold.
Then spoke Tom Sanborn bold:
"What do you write?" he asked, the angel made
A pause,
Then said, "the names of those who love the Elk's cause."
"And is mine there?" asked Tom, "I cannot find it here."
"Then write me as one who serves the best of beer."
The angel vanished, but she came next night
And filled the room with a great awakening light,
And showed the names of those who were so blest
And let Tom Sanborn's name be in the rest.

The event will long be remembered by Elks who happened to be present last evening.

Merry Pleads Guilty.

Something of a sensation was sprung in Clay county district court at Moorhead yesterday afternoon, when C. F. Merry, the insurance man on trial for soliciting insurance for a company not authorized to do business in the state, after hearing the state's evidence, entered a plea of guilty to the four counts in the indictment, and threw himself on the mercy of the court. The state proved conclusively that Merry had solicited business and collected premiums for a company which the state insurance commissioner swore was not authorized to do business in Minnesota. The offense charged against Merry is a misdemeanor, and is punishable by a fine or imprisonment in the county jail, or both. Sentence will perhaps be passed tomorrow or Saturday.—Fargo Forum.

Mi-o-na Costs You Nothing if It Does Not Cure.

To the Editor of The Dispatch:

The unusual statements in the advertisements we have published for Mi-o-na have led some people to ask if we really mean all that we said in regard to this preparation. The best reply we can make is to publish over our signature a statement of what Mi-o-na will do and the unusual terms under which we are selling it.

1. Nine-tenths of all sickness is caused by some kind of indigestion. As Mi-o-na cures indigestion in any form and restores healthy action to the whole digestive tract, it will cure nearly every case of poor health.

2. The dyspeptic is ordinarily thin and emaciated, with shallow complexion, sunken cheeks and flabby flesh. Mi-o-na will cure dyspepsia and those who use it will find every part of the body filling out with firm, solid flesh, so that the outlines become plump and pleasing.

3. The strongest evidence that we can give of our faith in Mi-o-na is our personal agreement to refund the money if it does not give satisfaction. Although we have sold hundreds of packages under this guarantee, yet less than one out of every hundred has asked to have the money returned. We are always ready to refund the cost of Mi-o-na, 50c., to anyone who is not satisfied with it on return of the empty box.

Yes, more so than any other Exposition ever held.

Parliamentarian In Hunting Dress.

All sorts of sartorial eccentricities have been seen in the British parliament in recent years, but the other night was the first occasion on which the scarlet coat of the huntsman has been seen on the floor, says a London cable dispatch to the Chicago Inter Ocean. The daring innovator was Sir P. Muntz, whose appearance after dinner at the Fishmongers' hall, "like a royal coachman," as one member expressed it, excited the hilarity of members in the lobby.

Is the St. Louis Fair a real World's Fair?

Yes, more so than any other Exposition ever held.

Why?

Because 50 different nations (to say nothing of 44 of our own States) will be represented; because the St. Louis Fair is twice as big and cost nearly three times as much as the Columbian Exposition; because it represents the latest triumphs of civilization.

About getting there?
